Racing for Mikey - -

Press Release For immediate Release...

Fund Raising Update - December 2012

Dear Friends, Family & Clients,

First off, I think a large thank you is in store for all of you who donated towards The Mikey Czech Foundation. It was an honor to Race for Mikey, and your donations were icing on the cake. The months of June, July and August I had the pleasure of getting quick donation updates from Jennifer Czech coming in through the website. From neighbors, family friends, business clients... Thank you!

On top of the personal donations - In the month of July 2012, ESydor Tech donated \$25 to the Mikey Czech Foundation for each of our tech houses call we made. The combined total from online donations and the ESydor Tech donation came to a grand total of \$1,500.00

Thank you all again! It's great to know that the Foundation is able to put our monies towards finding a cure for pediatric brain tumors...

Sincerely,

Eric Sydor
